

# **SAFETY REGULATIONS**

The Pinnacles is a HIGH RISK activity therefore safety procedures are very important and must be followed.

ALL climbers please note the following rules and enjoy a safe climb.

1. The Borsarmulu Park Management Sdn Bhd appointed PARK GUIDE is solely in charge of Camp 5 and ONLY he/she can sanction the climb.
2. Early morning heavy rain means the **CLIMB MUST BE CANCELLED** for safety reasons.
3. Cut-off times MUST be adhered to: **SEE DIAGRAM**
4. NEVER climb alone

## **The Golden Survival rule: Rule of Daylight**

If you have not reached the first ladder within 3.5 hours, the rule determine that you must return to Camp 5.

(Rescues at the Pinnacles are extreme- rescues in the dark close to impossible)

**NO CLIMBER MAY DEPART FROM CAMP 5 BEFORE 6 AM**

If you ignore the instructions of your guide and continue to climb and a Search & Rescue team is alerted to assist you, you will be required to pay an 'in-house' RESCUE FEE. Please refer to the indemnity form.
